

# WELCOME TO FRONTIER NWLTD

# About Us

Frontier NW LTD is a Wirral Based construction company that prides itself on delivering top workmanship and customer satisfaction. They deliver projects in the domestic, commercial, industrial and heritage markets. These can range from refurbishment projects, extensions, dilapidations, and renovations.

# Residential Developments

A house is the biggest asset most people own and here at Frontier NW LTD we help turn that house into a home from careful planning around your every need to flawless high quality work being delivered and managed by our expert project managers for a stress free job.

# Joinery Workshop

We specialise in delivering the highest quality products at very competitive prices guaranteed with some external timber products being guaranteed for up to 50 years and paint and finishes up to 20 years. Sustainability is very important to us at Frontier NW LTD and for this reason we always put Accoya forward as our recommended material to each customer for any external timber product.

# **Timber Windows**

We offer a wide range of timber window styles including storm-proof casement, flush casement, sliding sash, tilt and turn and bespoke design and build. We use a network of leading manufacturers for all our ironmongery and seals including locks, hinges, handles, espagnolette multi locking systems, all of which can meet necessary home insurance including pas 24 and British kitemarks.

A photograph of a bright, modern living room with a light-colored wooden floor in a herringbone pattern. The room features large windows and glass doors that offer a view of a cityscape and a body of water. The walls are white, and the ceiling has recessed lighting. The text "Thank you" is overlaid in a large, black, serif font across the center of the image.

**Thank you**
